Christ-Centered Academic Excellence!

Mission Statement

Fourth Baptist Christian School, as a ministry of Fourth Baptist Church, is committed to the development of a student's spiritual life in Jesus Christ, while pursuing academic excellence in a manner which honors and glorifies God, based on the only infallible Word, the Bible.

A Year Full of Blessings

Thank you to our FBCS family for your continued support! We have just completed year #51 at FBCS! The school year started with a slight enrollment increase of ten students for a total of 223 students. The numbers were added primarily in the secondary level. In secondary (grades 11-12), our school entered into an agreement with Faith Baptist Bible College to begin to teach college-level courses live on our campus. Beginning with Bible, these Honors courses were taught along with general education courses (PSEO) online from the University of Northwestern at St. Paul. These dual-credit courses were made available to students who qualified academically. About 13 students took part in the program this year and it was a hit! We are hoping to offer live general education courses in the near future. This was the biggest program change of the year.

The school also raised funds to complete work in our gymnasium. New bleachers were purchased for the west side of the gymnasium, adding significant seating. Now, we will have enough seating for the state tourney and for well-attended home games.

In sports, the Warrior teams were in the MACS state championship game three times: Girls Varsity Volleyball, Girls Varsity Basketball and Boys Varsity Basketball. Both girls' teams lost in their state final games, but the Boys Varsity Basketball team won their first State title since 2007! Girls Soccer competed in a second spring season and our boys entered a co-op agreement in baseball.

(Summary, Continued on page 4)

Congratulations to the Class of 2017!

Commencement Exercises for the Class of 2017

This year, fourteen students graduated from FBCS: Dekangyan Chen, Nicole Goblirsch, Madeline Goshgarian, Benjamin King, Kenneth Laine, Joshua Mace, Andrés Mendoza, Vivek Mohinani, David Murray, Isaiah Reis, Victoria Robinson, Johnathan Schocker, Greta Smith, and Paulifred Toby.

One of our graduates was an exchange student. Dekangyan (Kevin) Chen from China was with us for both his junior and senior years. Many had been at FBCS since K4 or K5. It has been a delight to watch these students learn and grow over the years.

The ceremony began as junior flag-bearers Jason French and Benjamin Koestner brought the American and Christian flags to the platform and Pastor Matt Morrell, Mr. Alan Hodak, and Pastor Jared Page took their places on the platform. The seniors filed in individually to "Pomp and Circumstance" played on the organ by Mrs. Melody Bruffey.

Mr. Alan Hodak gave the welcome and invocation. The Special Senior Awards were given—Valedictorian and Salutatorian—and honor cord recipients were asked to stand and be acknowledged. The seniors then took their seats on the front pew as we all enjoyed the "Senior Slideshow Memories" - their expressions and thanks to God, family and those who helped them along the way, created by Mrs. Kristen Mulnix. Greta Smith then gave the Salutatorian Address, a humorous look at the senior class as a "family." This was followed by the Senior High Choir singing "This Is My Word," and then David Murray gave the Valedictorian address, a serious charge to the class to lead by serving.

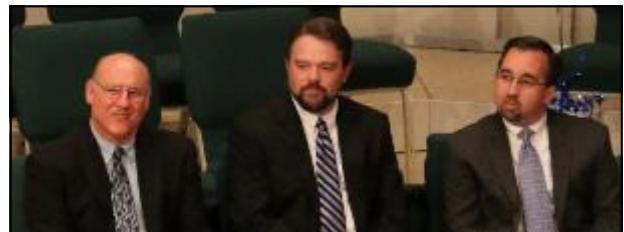

The seniors sang the prayerful song "Endless Mercies," and Pastor Jared Page then gave the Commencement Address, challenging the Graduates to reject the current climate of our culture which focuses on self and to instead live a selfless life after the example of Jesus Christ. The Mixed Ensemble followed up with "What God Ordains (Is Always Good)" before the presentation of awards and diplomas. Seniors receiving special awards were as follows: David Murray—History/Government, Mathematics, Handbell Music and Christian Leadership. Greta Smith—Bible, English, Vocal Music and Art. Ben King—Science, Senior Athlete. Vivek Mohinani—Industrial Arts, Senior Athlete. Johnathan Schocker—Instrumental Music.

The faculty and Staff Ensemble sang a prayer of benediction to the graduates, "The Lord Bless You and Keep You," and then senior father, Mr. Bob Murray, closed the commencement ceremony in prayer.

Following the ceremony, as is tradition, the graduates made their way to the gymnasium, where tables honoring each graduate were set up with pictures, artwork, awards and such honoring each one. Attendees were encouraged to visit the graduates tables and extend their congratulations.

Six of the seniors graduated with a GPA of 3.4 or higher, signified by the gold honor cords they wore. Both our Valedictorian, David Murray, and Salutatorian, Greta Smith earned GPA's of 3.85+. (FBCS grades on the 100 point scale, which means that a report card with all A's does not necessarily translate to a perfect 4.0, unless all the A's are 100's. Our method is a more accurate reflection of the student's performance, and colleges take note.)

We congratulate you, class of 2017, and we will pray for you as you follow God's leading in your lives. ☺

FBCS Upcoming Events:

6/9: Report Cards Mailed (grades 3–12)

6/12–16: Basketball Camps @FBCS (gr. 3–12)

6/15: Registration Balance Due

6/26–7/1: Teen Camp @Northland

7/10–15: Junior Camp @Camp Chetek

7/31–8/4: Soccer & Volleyball Camps at FBCS (gr. 3–12)

8/14: Soccer/Volleyball Pre-season practice begins

8/15: Initial Payment Due

8/22–24: Teacher In-Service Days

8/24: Parent/Student Orientation—7:00pm

8/25: Rosemount Varsity Soccer/Volleyball Jamboree

8/28: First Day of School for school year 2016-17!

8/30: Fall PSEO Semester Begins

9/4: NO SCHOOL—Labor Day

9/5–7: Grades 7–12 Kick-Off Retreat at IRBC

9/13: PSEO Drop Class Deadline (UNWSP)

9/16: Fourth Baptist Church Harvest Fair (1:00–3:30pm) Geared for children. All families are invited!

9/18: FBCS SportsWalk (Grades 6 –12)

(Blessings, continued from page 1)

Choir Tour happened mid-march and 51 high school students went to the Chicago area to perform. The highlight of the trip was a performance at the Pacific Garden Mission in downtown Chicago. This was a life-changing experience for many of our students as they, for the first time, saw how hard life could be for people facing difficult circumstances, and how powerful God's Word is to turn those lives around. Students presented a concert to a full auditorium as onlookers were amazed at the talents of our group. One Pacific garden Mission employee said, "We have many different groups come through in a year and we have never seen our audience so engaged and respectful." Wow! God was using our students to minister and God used many of the testimonies of the folks at the mission to make our kids really think. This was a wonderful highlight to our school year.

David Murray, a senior student, qualified as a National Merit Commended student, a feat that only 3% of the students in the United States achieve annually.

As our school grows, we look ahead to some very exciting days. We believe that God is preparing our school for some significant numerical growth as enrollment numbers are already beyond the previous years' enrollment at the same time. We are planning and preparing as new students will bring new challenges. We look ahead to reaccreditation, new staff, new students, and some new programs. We are preparing new classrooms to meet our needs. The school is in the planning stages of some pretty exciting things! God is providing in too many ways to write about in this summary.

As the ministry moves forward, the pledge to keep our school's standards solid and our academics college-prep remain our priorities. We have a very special school that is poised for growth and the excitement is growing for our programs. You can have confidence that your school ministry's priority is to keep a solid Christian worldview which teaches our students to "think like God thinks."

Thank you again for your support of FBCS. Go Warriors! - *Alan J. Hodak*

Track and Field Season Recap 2017

The good Lord saw fit to bless this year's track season by increasing student athlete participation. Our JH Track Team was 29 runners (11 boys and 18 girls) strong this year - just a little shy of 50% increase from last year. We were also blessed with and enjoyed unusually sunny and warm days for practices and meets. Practice commenced immediately after spring break and the program this year required the students to start endurance training immediately. Two weeks into the season, Pastor Jared Page came to train the athletes on the running long and triple jumps.

The season opened with a big meet at Calvin Christian for our 7th and 8th Graders. Several of our athletes placed in the finals.

Next, FBCS held our very first Annual Jr. High Track and Field Intramural Games. The athletes were able to run the 60M, 100M, and 200M dashes along with trying out their field skills in soccer kick and accuracy throw. It was a fun event for our athletes, and we saw overwhelming support by the parents, grandparents, friends and classmates. A big thank you to Mr. Hodak for approving this event, and also for Athletics Director/Coach Sarah Stephens for coordinating the logistics. The track team is tremendously grateful to the many parents, teachers and students who *sacrificially* gave of their time and donated food items. With God's gift of great weather

and your support, the event was a success!!

At the Granite City meet, the 6th Grade Athletes showed strong presence in their events - the chart at right summarizes their fantastic results. The darlings of this group consisted of Esther C., Daniel K., Kristy H., and Abbie P. These girls were so brave in their attempt at the 4x400 M Relay where they competed along with Sr. High Athletes. They placed 4th in this event - I am extremely proud of them!

Our 7th and 8th Grade Athletes also showcased their strength at Granite City. In the 400 M while competing against much older and more mature runners, our very own Isabel G. won 1st Place in this mid-distance event! Maddie H. and Lydia R. led our girls in securing several strong placements in multiple events. The combined 7th and 8th Grade Girls 4x100 Relay team ran with tenacity to finish 2nd place. This was an interesting meet experience for our Jr. High athletes this year in that they ran predominantly against Sr. High competitors. Although this was the case, the results below show our team to be quite competitive and we were blessed with amazing results for our athletes.

This was an exciting and fun season to coach these talented athletes! Lord willing, our school will have another opportunity to participate in the track season next spring. I congratulate each and

JH TRACK & FIELD (Gr. 6-8) @ Calvin Track Meet April 21, 2017:

- **7th grade Boys Accuracy Throw—**
Stephen French – 2nd place
- **8th grade Girls 60 M Dash—**
Lydia Rieschl – 1st place
- **8th grade Girls 200 M Dash—**
Lydia Rieschl—2nd place
- **8th grade Girls 400 M Run—**
Maddie Hodak – 2nd place
- **8th grade Boys Accuracy Throw—**
Jordan Larson – 1st place

every single one of the 29 track and field athletes who came out this spring! They had fun, persevered in their training and saw God answered many prayers along with personally putting to practice our team verse this year from Luke 1:37, *“for with God nothing shall be impossible!”*

Thank you Mr. Hodak, Coach Sarah S. and Pastor Page for your continued support. Thank you also to all the parents and athletes for your enthusiasm and generous love gift. It has been both an honor and privilege to be a part of this endeavor. Humbly yours ~Coach Loraine Guillen.

- **Girls Running Long Jump—**
Lydia Rieschl – 1st Place
Isabel Guillen – 6th Place
- **Boys Soccer Kick—**
Jordan Larson – 3rd Place
James Webster – 6th Place

Varsity Girls Soccer Second Season Recap

Fourth Baptist Girls soccer team took the field for the second year in a row this spring. After an undefeated inaugural season, the team found a much tougher road this year. With a much younger team and stiffer competition, the team found wins harder to come by. Nonetheless, they played with great spirit and improved greatly throughout the year. Though they finished with a record of one win and four losses, they built a great foundation for the future and look forward to building a great tradition of girls soccer at FBCS! Thanks girls for your hard work! *-Coach Jared Page*

“A Flash to the Past” Jr/Sr Banquet

The Junior Class put on a 50's themed banquet that was enjoyed by all! Pictures were taken beforehand at Millennial Gardens in Plymouth.

The Last Speller Standing: The FBCS 2017 Annual Elementary Spelling Bee

Friday, April 21st was the date for this year's Annual Elementary Spelling Bee. Students from each grade were chosen through in-class spelling contests to represent their classes in the spelling bee.

This year's participants were:

(1st Grade) – Anne Cooley, Christian Hoffman, Michaela Keim, Lauren Stephens, Tim Petrashev

(2nd Grade) – Gretchen Campbell, Josiah Combs, John Goshgarian, Gracyn Lopez, Caleb Reis, Samuel Wang

(3rd Grade) – Joy Cole, Easton Martin, Tyler Martin, Megan Page, Matthew Thompson

(4th Grade) – Molly Cook, Jonathan Kolacz, Cody Mercado, Sophia Morrell, Jude Olson, Viswas Vallabhaneni

(5th Grade) – Josiah Brombacher, Nathan French, Reece Martin, Trenton Radloff, Alyssa Stephens, Grace Wang

(6th Grade) – Suzanna Kotelevska, Adriel Ng, Abbie Page, Evie Williams

The words were divided up according to length and difficulty. We began with easier words and they got progressively more difficult as we advanced through the rounds. The words were randomly picked from a bowl by Mr. Hodak.

The 1st–3rd graders went 8 rounds and the tie-breaking word was “sneaked” and the winning word was “shabby.”

The 4th–6th graders went 18 rounds ... the last few rounds were just the final two, Nathan and Adriel. It became evident they knew every word on the study list. Mr. Hodak then went to bonus words, which were not handed out to the students. The Tie-breaking word was “communique” and the winning word was “cavalcade.” When it was over, the two friends hugged in good sportsmanship. ☺

First—Third Grade Winners: (above)

1st Place —Samuel Wang—2nd grade

2nd Place —Michaela Keim—1st grade

3rd Place —Easton Martin — 3rd grade

Fourth—Sixth Grade Winners: (below)

1st Place —Adriel Ng — 6th grade

2nd Place —Nathan French — 5th grade

3rd Place —Molly Cook — 4th grade

Elementary Spring Field Trip Highlights

1st Graders Enjoy a Trip to Como Zoo

First grade went to the Como Zoo. The weather was absolutely perfect! We had fun seeing many of the animals we have been learning about in science class. The penguin exhibit was one of the favorites along with the seals and monkeys.

2nd Grade Visits Great Harvest and Mill City Museum

Museum

The second graders enjoyed their annual field trip to Great Harvest Bread in Minnetonka and the Mill City Museum. They were shown how the machines are used in making big batches of bread, and were able to work with some dough. Following that, they went to Mill City Museum to see the "Minnesota in 19 Minutes Flat" slide show, play in the water area and the baking lab. Going down the 9 floor glass elevator was also a highlight.—*Mrs. Diane Davis*

3rd Graders Spend a Day at the MN Zoo

Third grade went to the Minnesota Zoo on May 22nd. The penguin feeding and the cow milking were some of the favorite things that they got to see. They also loved getting to pet the leopard sharks in the aquarium. - *Mrs. Julie Bee*

4th & 5th Graders Encounter Sea Life from a Different Perspective

On May 19th the Fourth and Fifth graders traveled to the Mall of America for an exciting adventure at Sea Life. Both classes were able to explore the aquarium exhibits and see many different and amazing sea creatures. The classes were also able to participate in a classroom program where they learned about the habitats of these amazing creatures. A special thanks to the many parents who went along to help chaperone the classes. - *Mrs. Deb Leith*

Musical Menagerie: It's a Zoo! Elementary Spring Program

FBCS elementary musicians presented their spring concert entitled “Musical Menagerie: It’s a Zoo!” on April 21. Students took the audience on a musical trip to the zoo with animal themed songs. Exotic and domestic stuffed animals provided the perfect platform background for the elementary singers and instrumentalists.

Kindergartners through 6th grade presented engaging band and chime pieces, finger plays, circle games, clapping games, movement presentations using colorful scarves, rounds, percussion, xylophone, and recorder accompanied pieces. Several grades joined in singing sacred pieces honoring our creative Maker.

The concert represented great strides in musical growth over the past year. Well done elementary musicians! Keep using your talents for the Lord! - *Miss Annelies Harmon*

Secondary Spring Concert: Honoring our Seniors

Our FBCS Secondary Spring Concert was held on Thursday, May 25. The concert featured performances by our Junior and Senior High Choirs, Bands and Handbell Choirs. Several of the performances were by vocal and instrumental soloists and ensembles who had placed very well at our recent MACS Fine Arts Festivals. We also recognized our 14 seniors as we thanked them for their years of service and ministry in music at FBCS!

Some of my favorite selections from the concert included *Hoedown* (Aaron Copland) by the SH Band; *I Dream of You* (Per-Olov Kindgren) by David Murray on guitar; *Mars* (Gustav Holst) by the JH Band; *Jesus, I Adore Thee* (Stephen Caracciolo) by Mixed Ensemble; and *Dorian Dance* (Michael Joy) by Platinum Bells.

The concert culminated with the SH Choir's hilarious rendition of *If You've Only Got a Moustache* by Stephen Foster. The guys wore moustaches and all success, fame, fortune, and love was attributed to whether a man has a moustache ... or not.

The concert was a great demonstration of all that the students have learned and accomplished this year with their God-given talents. Thanks for your support of our students and the Music Department at FBCS! - *Mr. Levi Kolwinska*

More Pictures from the Spring Concert: JH Band, Choir, Handbells

Kindergarten Graduation

On Tuesday, May 30th in the auditorium of Fourth Baptist Church, the kindergarten class celebrated the completion of their school year with a graduation ceremony. This year's class was one of our larger classes with 22 students.

The evening began with Mrs. Roman welcoming the group family members and friends. Many scripture verses were recited from memory by the group: Romans 3:23, Acts 16:31, John 3:16, Psalm 147:1 and Psalm 83:11. The audience was impressed with their capabilities for memorization. The students also sang several Christian children's songs: "Good News," "I Do Believe, I Now Believe," "For God So Loved the World," "Ho-Ho-Ho Hosanna," "Praise Medley," and "On God's Word I'll Stand."

Anna Yarmakovich and Lincoln Johnson did a special reading entitled "Sunday." Mr. Hodak gave a short challenge to the parents and then the diplomas were

awarded. The group sang "Use Me" and then recited the poem, "K is for Kindergarten" as the ceremony was closing.

A time of congratulations and refreshments were offered in the Atrium following the ceremony. ☺

Teacher Farewell

We held a “cake and card” reception on Wednesday, May 24th from 3:00—4:00 in the Atrium so our FBCS family could stop by and say “thank you” to several staff members who will not be returning next year. We have greatly appreciated their ministry to us. The following teachers will not be returning next year:

Miss Karis Burggraff – K4

Mrs. Julie Bee – 3rd grade

Miss Lydia Hodak – 4th grade (*she will now be focusing on ESL and Special Ed*)

Miss Rochelle Lunde – Secondary Spanish

Mr. Tim Hallada – Junior High Science

I will personally miss each of these staff members who have served us well. We are grateful to them for their ministry to our children and pray God’s best as they leave us.

Pictured at right: Miss Rochelle Lunde; below: Mr. Hodak with Miss Lydia Hodak, Miss Karis Burggraff, Mrs. Julie Bee and Mr. Tim Hallada

Welcome New Teachers!

First, we are excited about our current enrollment numbers and are expecting growth in our student count. As new high school enrollment numbers are coming in, it appears that we will be needing to add staff to accommodate size increases.

We have contracted the following new teachers for the fall:

K4 – **Miss Hannah Seest** – graduated from Maranatha Baptist University with a Bachelor’s degree in Elementary Education and a Master’s of Education degree. She comes to us with some excellent experience working with preschool-age children.

3rd Grade – **Mrs. Jody Faithfull** – is a 2003 graduate from Pillsbury Baptist Bible College and holds a degree in Elementary Education. Mrs. Faithfull brings four years of classroom experience to us and two children will become students at Fourth.

4th Grade – Many of our folks know **Mrs. Kris Gustafson** – mother of two current students, Jacob – (11th grade) and Greta (4th grade). Mrs. Gustafson holds a bachelor’s degree in Elementary Education from Bethel University. She also brings four years of teaching experience to our school.

Secondary Spanish and History – **Miss Emma Anderson** – a Maranatha Baptist University graduate holds a bachelor’s degree in Secondary Social Studies Education and a Master’s degree in Cross Cultural Communication. Miss Anderson will be helping us in several areas of need in our secondary program.

Secondary English, Computer and Speech – **Mrs. Cyndie Mumford**. Cyndie has a Bachelor’s degree in Home Economics and a minor in Business from Northland International University, and a Diploma in French Language and Culture from Catholic University in Angers, France. She has been a missionary in France for the past many years, where she taught English as a second language to Masters Degree Program students. She previously taught junior high English classes for FBCS during her husband’s seminary years before their time in France.

Secondary Science—**Mrs. Kristen Mulnix**. While Mrs. Mulnix is not a new teacher, she will have some new responsibilities in the fall. She will take on the 7th and 8th grade science classes as well as the 9th—12th science classes next year. She is thrilled to be doing all of our secondary science classes.

ESL—**Miss Lydia Hodak**, who just received her Master’s in Special Education from Bethel University this May, will be our full-time ESL and Special Education Teacher.

Summer Lexile Level Reading Challenge

Summer Reading Cards (5x7 size) were sent home with students on the last day of school with their Lexile level (now a range) as measured on the latest achievement testing we did in April. Please encourage your child to read this summer at their Lexile level and up to 50 points above that level. Write down the books they read with the number of pages and the Lexile level for that book. Lists of many common books for all ages with the book's Lexile levels have been compiled and are posted on the school website under the News & Info menu tab.

<http://fourthbaptistchristianschool.org/summer-reading/>

You can also purchase and download an app (called "Level It" for iphones) for your phone that will give a Lexile level for a book by scanning the barcode. Not all books will come up with a Lexile level, but many will. That can help when you are in the

library or in a bookstore looking for something in the correct range for your child. It is important to realize that many of current young adult/teen fiction books are written at a Lexile level below what it "should be" for that age/grade.

Classic literature generally has a higher Lexile level. Grades 7–12 students can get a jump on what they'll be reading in their literature classes next fall by reading those novels ahead of time over the summer. (They are noted on the website). Those books count towards the student's summer reading even if they don't quite match up to the student's current Lexile level. The "current Lexile Band" on the chart here shows an average of what a student's Lexile level generally is for a certain grade. - AF

Grade Band	Current Lexile Band	"Stretch" Lexile Band
2–3	450L–725L	420L–820L
4–5	645L–845L	740L–1010L
6–8	860L–1010L	925L–1185L
9–10	960L–1115L	1050L–1335L
11–CCR	1070L–1220L	1185L–1385L

Save the Date!

We welcome back The Academy of Arts next Spring to direct our high school students in "No Place to Flee," a dramatic production by Nicky Chavers. "No Place to Flee" is a collection of true stories of Christians living behind the "Iron Curtain" under Vladimir Lenin's Communist regime.

The Academy of Arts works with our students in all areas of dramatic production, including stage performance, lighting, sound, props, costume and makeup in a week-long seminar which culminates in the performance on Friday evening.

Our students love this opportunity and learn much during their drama seminar week. We feel that it is a worthy endeavor to invite the Academy of Arts Ministry Team to our school. We know you will be amazed at the final production!

**NO PLACE
TO FLEE**
