Helpful Hints from the Teacher:

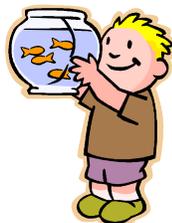

Family Time...

Have you had any recently? When was the last time your whole family did something special together? Try it out!

A family that plays together stays together. More importantly, a family that prays together stays together!

Need suggestions?

- Play outside in the snow, then have hot cocoa and cookies to warm up.
- Play a board game or a hide & seek game (with people or with your stuffed animals).
- Come to a Warriors basketball game! Tuesday and Friday nights are home games for our b-ball teams this week.
- READ, READ, READ!
- Cook together—I guarantee it will be an exciting meal!:)

K4 Happenings:

Dear Parents,

Wow. This was another busy week in K4! Please mark your calendar for all of the important calendar events below. Keep spreading the word about our school to your friends and neighbors! We want to pack out all of our classes! This is the time of year when people begin looking for schools for the fall!

Next week we will learn **Oo like octopus, ostrich, and otter**. For numbers, we will learn **12**. As we are beginning this 3rd quarter, please check over your report card for skills that you can practice at home. Some of the children have forgotten letters and numbers that we have learned in class, so daily review at home would help them in retaining that information.

Our theme for next week is Oceans. We will talk about the wonderful creatures that God made that live in water. We will also continue to talk about nutrition from our theme last week. Our Bible story will be about Jonah who tried to run from God and was swallowed by a great fish. Jonah then chose to obey God. Our verse will continue to be, **Ephesians 6:1 "Children obey your parents in the Lord, for this is right."**

***** Please review your child's report card and contact us with any questions. When you are done, please sign the last page and return it for next quarter. Thanks! ☺**

Sincerely,
Mrs. Deb Leith ☺
